

## CUSTOM TRAINING

Custom Training is a collaborative process between your organization's core team and the Workfront Training team. Our goal is to empower your users with the knowledge, skills, and resources they need to get the most value from Workfront.

This collaboration leads to successful training and development of custom documentation — and ultimately a successful Workfront launch.

### **Dedicated Standard Course**

- Dedicated course date/time for your users
- Virtual or on-site course delivery
- No customization
- Course taught with Workfront test drives
